# IAF Global Networking Forum Sponsorship Proposal Form

## IAF GLOBAL SPACE CONFERENCE ON CLIMATE CHANGE | GLOC 2026| KIGALI, RWANDA

In line with the IAF’s motto “Connecting Space People” and its mission of promoting partnerships in the space community, advancing international development, sharing knowledge, and preparing the workforce of tomorrow, the Global Networking Forum platform was launched in 2012 and is today one of the IAF most successful endeavors.

The GNF is the perfect place and platform to showcase your organization during a panel discussion on climate change topics.

By sponsoring a session, you will get the opportunity to:

- Organize a GNF session on one of the preselected topics at GLOC 2026
- Have a moderator or speaker on the panel
- 1 Complimentary registration for moderator or speaker
- Display and distribute of sponsor promotional materials in the GNF area
- Show a promotional video before the session (max 3 minutes)
- Have your description in the GLOC 2026 Programme

More information on the sponsorship [here!](#)

### 1. Duration of the event (60 mins max.)

- 30 minutes – 5 000 €                       60 minutes – 10 000 €

*(to be agreed upon with the IAF according to availabilities)*
