3. Name of Institution
4. Contact email
5. Session to which it applies
6. Abstract (200 to 500 words)

Abstracts and papers may be presented in Spanish, Portuguese and English.

Within the framework of the central theme of the international meeting: **space at the service of society**, participants may present their papers or communications in any of the following four sessions:

- **Space Policy:** Relating to the conception, development and implementation of public policies that space activities contribute and impact society at all levels.
- **Space Technology:** Relating to spatial technological development that contributes to the development of the sector both in the public and private spheres and / or impact of space technology on the development of our society.
- **Space Law:** Relating to national and international norms and regulations that contribute to the development of the space sector and impact society at all levels.
- **Space Society:** Relating to fields such as communications, philosophy, art, design, and their contribution to the space sector, and to society in general.

Accepted submissions will be notified via email on May 7, 2021, along with instructions to proceed.

The general public must register by completing the following online form: [https://docs.google.com/forms/d/e/1FAIpQLSfs1ZcVtyFiAQKQmgRYY4LOAEz4Vz7\\_NVeg5HFw1t\\_vNhJJaA/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSfs1ZcVtyFiAQKQmgRYY4LOAEz4Vz7_NVeg5HFw1t_vNhJJaA/viewform?usp=sf_link) until June 11, 2021. (If you cannot access the link, please copy and paste the address in your browser). Once registered.

The event is free.

The event will take place online through UPC website and YouTube. On June 18, 2021, the inauguration and publication of all the presentations will be held on the Relaca Espacio YouTube channel. Each presentation will be made in video format with a maximum duration of 15 minutes, which must be uploaded to the event drive no later than June 4, 2021. The link will be sent to the accepted speakers. (Only the speakers who have uploaded their respective paper, the certificate will be sent to them and their paper will be published).
