

EUCASS-3AF Conference

4-9 July 2021

Lille Grand Palais (France)

[Surprising, unexpected, visionary, creative but also bold : #hellolille](#)

Save the date!

France and Belgium join forces and invite you to Lille (France, #hellolille) from **July 4 to 9, 2021**, on the occasion of the **9th European Conference for Aerospace Sciences** organised by **EUCASS**. This edition has received the support of the **Association Aéronautique et Astronautique de France (3AF)** and will be carried out with the partnership of the clusters **Aér'Hauts-de-France**, **Normandie Aerospace** and **Skywin** for Belgium.

After a difficult year 2020 for the aeronautical and space sectors, EUCASS-3AF 2021 will be an opportunity for our scientific community to renew direct scientific contacts and present its results and proposals for tomorrow's aeronautics and space in a world forced to change.

KEY DATES:

September 2020: Call for papers
4 January 2021: Submission deadline
22 March 2021: Notification to authors
By mid-April 2021: Preliminary program
30 April 2021: Early bird fee deadline
4-9 July 2021: Conference at Lille Grand Palais congress center

TECHNICAL TOPICS ON THE PROGRAM:

EUCASS is the largest aerospace conference in Europe, the high-level forum for all aeronautic and space research players: System Integration, Flight Physics, Flight Dynamics, GNC & Avionics, Structures and Materials, Propulsion Physics, and more other transverse topics related to aeronautic and aerospace, RLV, ISRU, UAVs, Sustainable Space Logistics...
