GLEC2019
GLOBAL CONFERENCE
ON SPACE FOR
EMERGING COUNTRIES

**MARRAKECH,
MOROCCO**

24-26 APRIL 2019

The International Astronautical Federation (IAF) together with the Centre Royal De Télédétection Spatiale (CRTS) and with the support of the Centre National D'Études Spatiales (CNES) are very proud to officially invite you to the Global Conference on Space for Emerging Countries (GLEC2019) to be held in Marrakech, Morocco from 24 to 26 April 2019.

Bridging the Space Divide in Emerging Countries

Being the first Conference of its kind, GLEC2019 aims at actively engaging emerging countries in the global space sector by highlighting the socio-economic benefits of space applications; by understanding the various financial models for the optimal resourcing of national space programmes; by identifying opportunities for technology and skills transfer; by creating awareness about the base infrastructure requirements needed for operationalizing national space programmes and by creating awareness on the essential legislative and policy elements that must be considered in establishing the foundation for national space programmes.

High-level Keynotes and Round Tables focusing on:

- **Benefits of Space Technology and Applications to Socio-Economic Development,**
- **Financial Models and Resourcing,**
- **Technology and Skills Development,**
- **Base Infrastructure Requirements,**
- **Space Industry Development and Support,**
- **Legal and Policy.**
