PUBLIC DAY **AGENDA**

October 18th 2024

MORNING: Auditorium MICO

10:30 - 10:40 **WELCOME**

10:40 - 11:45 **NEW SPACE ECONOMY AND SUSTAINABILITY**

Round table, Q&A

Participants will have the chance to hear the words of experts in both academic and industrial fields regarding space sustainability. Discussions will focus on space technology, economy and exploration with their challenges and possibilities. To conclude this moment, there will be a section dedicated to collect and answer questions and curiosities from the audience.

11:45 - 12:15 **AWARD CEREMONY**

ASI, in collaboration with AIDAA and Leonardo proposed to secondary schools in Italy and abroad to discuss the theme of sustainability and to deepen their understanding of its contents by drawing up a project proposal. The best project of the call for ideas "A responsible space for sustainability" will be awarded during this ceremony.

12:15 - 14:00 **MEET THE ASTRONAUTS**

Participants will have the opportunity to meet the astronauts, having some insights on their experience, take pictures and ask for autographs to recall the experience.

14:00 - 14:30 **MUSIC MOMENT**

Participants can enjoy the joint performance of the choirs "Little Astronauts Troup" and "Grillo d'Oro"

AFTERNOON

14:30 - 16:30 **HANDS ON EXPERIENCES (Silver Hall)**

Participants will be able to explore the interactive area, with a variety of different space-related activities including art exhibitions, associations' stands and hands on activities.

14:30 - 15:30 **GLOBAL NETWORKING FORUM WITH ASTRONAUTS (Auditorium)**

Participants will have the chance to join astronauts at the ASE/IAF Global Networking Forum Astronaut Event "#norisknofun – keeping human spaceflight safe" for an exceptional exchange of ideas.

During the entire IAC General Public Day the attendees will have the possibility to visit the exhibition hall.
