Sunday 9:30 to 10:00 Second round

Sunday 13:45 to 14:15 Last round

Suggestions

- Please start by introducing yourself, and what you can propose (provide training, data, link to others...)
- Here is an example of a useful format for introductions:

My name is{name}..... I have a background and experience in{skills}.....

My work focuses on{research or work area}..... I am particularly interested in
.....{domain of interest}..... I am looking for{profile category}..... to{nature of collaboration}.....

- Moderators can help you connect with those with similar interests who were at the table in the other rounds.
