

SPACE AGENCIES AS ECOSYSTEM BUILDERS

FROM NATIONAL CAPABILITY TO GLOBAL PARTNERSHIP

Technology creates capability.
Connections create an **ecosystem**.

A space agency can become the **bridge**
between national ambition and
international opportunity.

TÜRKİYE BUILDING THE CONNECTIONS

01

CAPABILITY

Moon • satellites
navigation • access

02

MISSIONS

Human spaceflight
science • lunar mission

03

ECOSYSTEM

Industry • academia
talent • institutions

04

PARTNERSHIP

Joint missions
international cooperation

BUILD NATIONAL CAPABILITY → CONNECT THE ECOSYSTEM → OPEN IT TO THE WORLD → BUILD TOGETHER

Türkiye's space journey is increasingly designed around connection · not isolation.
