

Emerging Applications of Space Data for Developing Regions

Invitation to IAA Committee

Dr. Jeanne Holm

Ms. Roberta Mugellesi-Dow

3 October 2026

The Potential

- *Do you see the potential in using space data or technology?*
- *Are you in a region that needs expertise or knowledge to make it happen?*

Committee on Emerging Applications of Space Data for Developing Regions

- *Be part of a community that defines what is needed*
- *Products in development*
 - *Directory of experts*
 - *Knowledge catalog*
 - *Free data sources*
 - *Survey for needs and resources*
- *Sponsored by the International Academy of Astronautics*

1. KNOWLEDGE SHARING

2. CAPACITY BUILDING

3. KNOWLEDGE CATALOG

4. COMMUNITY BUILDING

Join us!

- Define the needs
- Identify resources
- Create new applications that improve your community and capacity
