

The International Astronautical Federation is pleased to invite you to the **2015 Global Space Innovation Conference (GLIC)** to be held in Munich, Germany, 23 – 25 June 2015.

GLIC 2015 is co-organized by the **International Astronautical Federation (IAF)**, the **German Aerospace Center (DLR)**, the **European Space Agency (ESA)** and the **Bavarian Ministry of Economic Affairs and Media, Energy and Technology**.

The conference will take place at the famous Munich Residence Palace where you will have the opportunity to hear special presentations from, among others, **Lockheed Martin, NASA** and the **International Space University**.

GLIC 2015 will feature an exhibition, keynote speeches including a CTO conversation, and six thematic plenary panel sessions:

- Panel 1. The View from Entrepreneurs
- Panel 2. Socioeconomic Environment for Entrepreneurs
- Panel 3. Entrepreneurial Education and Training
- Panel 4. Non-Financial Assistance for Venture Creation
- Panel 5. Financial Support for Venture Creation
- Panel 6: Policies and Laws for Entrepreneurship
