# Meet International Astronauts at GLEX 2025!

The IAF Global Space Exploration Conference (GLEX 2025) proudly features a special **IAF International Astronauts Chapter**, jointly organized by the International Astronautical Federation (IAF) and the Indian Space Research Organisation (ISRO), an esteemed IAF member since 1989 and proud host of GLEX 2025.

Inspired by the motto of GLEX 2025 - *"Reaching New Worlds: A Space Exploration Renaissance"*, the IAF International Astronauts Chapter highlights the vital role astronauts play in pioneering responsible and inclusive space exploration.

The Chapter offers an exceptional opportunity for face-to-face meetings with space heroes, allowing them to share their experiences, expertise, and passion for space exploration.

Do not miss your chance to meet space legends up close!

Mark your calendars for an exclusive autograph session with international astronauts on Friday, 9 May.

Grab your booklet and get ready to collect those coveted signatures from your space heroes!

## Hazzaa ALMANSOORI

*First Arab Astronaut,  
Astronauts Office Manager,  
Mohammed Bin Rashid Space Centre (MBRSC),  
United Arab Emirates*

## Sirisha BANDLA
