3. Name of institution
4. Contact email
5. Session to which it applies

- Abstract (200 to 500 words, times new roman, size 12, justified)
- Indicate participation intention: poster or paper (speaker)

**Abstracts and papers may be presented in Spanish, Portuguese, and English.**

\*Pending COVID-19 and its variants status worldwide. Information regarding this topic will be made via official ReLaCa communications.

Within the framework of the central theme of the international meeting: **Space renaissance: commercial opening of space for the benefit of humanity**, participants may present their papers or communications in any of the following five sessions:

- **Space Policy:** Relating to the conception, development, and implementation of public policies that space activities contribute and impact society at all levels
- **Space STEAM:** Relating to the development in Science, Technology, Engineering, Arts, and Mathematics, in the public and private sector with impact in our society.
- **Space Law:** Relating to national and international norms and regulations that contribute to the development of the space sector and impact society at all levels.
- **Space Commerce:** Relating to fields which allow access to launch and other activities in space commerce or services that achieves inclusion and contribution to society.
- **Space Society:** Relating to fields such as communications, philosophy, art, design, and their contribution to the space sector, and to society in general.

Accepted submissions will be notified via email on 15/February/2022, along with instructions to proceed. All presentations will have a maximum duration time of 15 minutes. Virtual presentations will be made via recorded video. The Aldo Armando Cocca Research Award has been instituted, which will be awarded to the best research work presented as a presentation at the annual ReLaCa Meetings. (The bases for accessing said award are established in the attached annex).

The public must register by completing the following online form: <https://forms.gle/9rsGdNNwxeHdjZb68> until 11/May/2022. (If you cannot access the link, please copy and paste the address in your browser).

This event is free of cost for all participants. Participants who wish to obtain a certificate that certifies their participation in the event or obtain an e-book containing the presentations must pay US\$30 for in-person participants, and US\$10 for virtual participants. Students (validation of student status mandatory) who require an e-book and certificate, a 50% discount will be applied to the amounts in accordance with the indicated modalities.

Looking forward to seeing you!
